Luca Cozzuto was omitted from the original author list by mistake. Dr. Cozzuto performed the analysis of the ChIP-seq of Cbx4 in human epidermal keratinocytes included in this work. The updated author list is both provided above and is as follows: Luis, N.M., Morey, L., Mejetta, S., Pascual, G., Janich, P., Kuebler, B., Cozzuto, L., Roma, G., Nascimento, E., Frye, M., Di Croce, L., and Benitah, S.A. We apologize for this confusion.
